## CHILDREN AND YOUNG PEOPLE PRIORITY AREAS:

# Keeping Families Together

Behaviour support for children, young people and their families.

Through the Regional Integration Fund, we will fund services that support families to stay together.

"I can't cope... I need this to cope."

"I don't know where I can go for help."

### WHAT IS IMPORTANT TO CHILDREN AND YOUNG PEOPLE?

Children and young people would like to see joined up services where they can access the support they need, at the right time. This will enable them to build the confidence and resilience they need to progress and develop into healthy adults.

### WHAT WE WILL DO TOGETHER:

- Implement the Children and Young people RIF plan ensuring a regional approach to supporting children and young people.
- Enhance services that wrap around families to keep them together and prevent things becoming worse.
- Develop community resources and support to prevent children needing to become looked after.

### WHAT DIFFERENCE WILL THIS MAKE?

- Families better supported to remain together and have the skills to grow and develop, so children can live happy and healthy lives.
