See Me

Verse: (E, F#m, A, B)

You'll never get a job

That's what they said

But I'll prove them all wrong

With this song

Chorus: (E, A, B, A)

See me, not my CV

I'm more than any disability

Support me, believe in me,

Let me be a good employee

Verse: (E, F#m, A, B)

Money makes the world go round

But doesn't grow on trees

But with training and support

We can plant the seeds

Chorus

Bridge: (C#m, A, C#m, B)

I'm left to the wolves without choice

Give me a voice, I'll make my choice

Chorus x 2

I can be a good employee
